All dash inserts are available in your choice of finish and mount style(front or rear) on most inserts Contoured dash styles do not accomodate front mount. Contoured dash inserts give a better appearance with gauges rear mounted. These include 1939 Chevy,1941-46 Chevy truck, 1940 Ford.

Available finishes

Polished- Ball nose- Brushed- Engine Turned (extra \$10.00)

In stock dash inserts are cut for Autometer or Classic Instruments Gauges. Special order required for all other gauges. Some inserts will accomodate six gauges. Please specify this at time of order.LED lights and mounting hardware included with each dash insert.
